

SOUL CITY SURVIVORS

HOT BUTTERED SOUL

The **SOUL CITY SURVIVORS** are Southern California's top show band. Classic SOUL with five pieces of seductive brass, three singers dancing the top 200 dances of the soulful sixties and seventies, and a rhythm section (bass, guitar, keyboards, and drums) that is second to none. This sound awes today's younger generation as well as titillates the soul of the young at heart who grew up doing the Mashed Potato, the Jerk, and the Boogaloo. The **SOUL CITY SURVIVORS** great blend of music is sure to thrill any crowd, and keep their hearts and souls going plitter-plad!

The **SOUL CITY SURVIVORS** present a well rehearsed American SOUL revue of Classic SOUL....Wilson Pickett, Otis Redding, Aretha Franklin, James Brown, Sam & Dave, Tower of Power, George Clinton, Ike & Tina, Pointer Sisters, Patti LaBelle, Earth, Wind & Fire, The Temptations, and Curtis Mayfield, to name a few. Seductive grooves, rousing rhythms and a great visual show make the show: the crowd knows the tunes, and everybody dances and sings!

The **SOUL CITY SURVIVORS** have recently shared the stage with such acts as Gladys Knight & The Pips, The Temptations, Ambrosia, David Clayton-Thomas with Blood Sweat & Tears, Dave Mason, Sha Na Na, Jackson Browne, Michael McDonald, Venice, Cannibal & The Headhunters and Tierra, to name a few. Always in style, the **SOUL CITY SURVIVORS** blend of SOUL and R&B is timeless.

Together for ten (10) years, The **SOUL CITY SURVIVORS** is a thirteen piece soul revue featuring the sly humor and velvet throated vocals of Southern California favorite Hunter Green. The alluring dance steps, gorgeous costumes and street corner SOUL HARMONIES of SURVIVORETTES Queen Irene and Catherine Royal set the stage for good times and good vibes. The SOUL CITY FAT BACK HORNETS feature trumpeters Barry Nitikman and famed Los Angeles session man Bill Barrett. The powerful bottom end of Jacob Bonneau's baritone sax, Greg Cooper's Tenor Sax Sound, and Wild Man Harry Goodnight's trombone complete this grooving Memphis SOUL Horn section. Ernest "Tubbs" Knapp grooves the "Cropperesque Shuck" guitar. The quintessential New Orleans keyboard stylings of Alan Moses flavor this SOUL revue of America. "Sure-Enuff" Shiras pugnacious Bass sound fits right in the pocket with the robust pulse of famed Chicago sticks on skin man John Chapman.

For a unique sensation or effect resulting from stimulation of the auditory receptors resulting in feelings of affection, passion, and sentiment the **SOUL CITY SURVIVORS** are recommended as absolutely your best choice for refreshing excitement.
